2023 + 2024 Open Door Fellows

The [NCBF Open Door Fellowship](#) is a unique, competitive opportunity for first-year North Carolina law students who are members of groups that have been historically underrepresented in the legal profession, including first-generation college students and those from disadvantaged socioeconomic backgrounds. The Fellowship gives access to hands-on legal experience while widening their professional networks to “open doors” and prepare them for the next steps in their legal careers. Your gift to the **NCBF Open Door Endowment Fund** will secure the future of this important initiative for many years to come.
